COLLEGE NEWS

We have come back to our Autumn term with a new enterprise, 'Southview pizza making and delivery service'. This enterprise has proven to be very successful so far as we ask each person to choose their own toppings and make sure they are delivered to the class by 11.00 on a Tuesday morning. Our students are not just making pizza, but also learning 'Health and Safety' rules in and around the kitchen/food.

In Maths we have been focusing on our money skills. We have been out buying supplies for the school tuck shop and developing our understanding of money. Some of us have been looking at what different jobs pay and how many hours we would have to work to buy the different things we would like.

We have also had lots of fun and some healthy competition, trying out some new sporting activities and showing off our developing skills.

We are all really looking forward to our Christmas Production Auditions on Monday, Venus class have been kind enough to say they would judge. After half term we will be making lots of different styles of Christmas wreath to sell, so look out for more details. We have all settled in well after the Summer holidays and are enjoying being together.

Special Needs Evening

The first Tuesday of every month

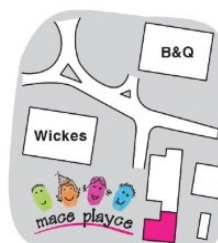

4-6pm

This will be a dedicated special needs session, we will be closed to the general public and only be open to children with additional needs and their families.
