PLUTO NEWS

The children have settled happily back into school and the new term – it's always wonderful to catch up with them after a break and hear all about the adventures they've had.

We've started our new topic for the term, 'Abracadabra', and we are all loving reading Winnie the Witch. We've started exploring the characters in the book through our Art – sponge painting Wilbur the Cat in the different colours Winnie turns him! In English we've looked at designing our own Witches hats and describing ingredients to go into Winnie's potions.

We have also continued with our Monday news writing sessions, where we are enjoying sharing what we've been up to at the weekend with our friends. Later on in the term we shall also be exploring other Winnie the Witch stories as well as completing some Harry Potter themed English work.

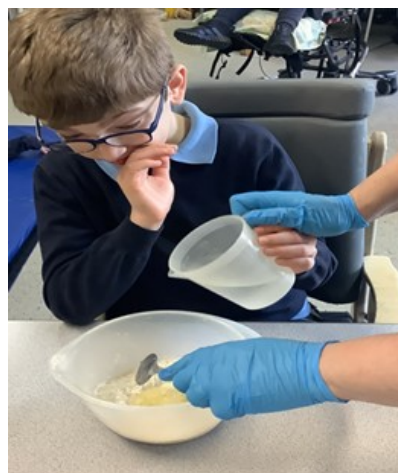

In Maths we have been focusing on numbers – counting out amounts and stopping, recognising amounts and addition using both a 100 square and a number line.

Our new Science topic is Changes and Reactions, and the students have loved making marshmallow slime – observing how the marshmallow's changed state after they were melted.

We shall be continuing swimming on a Tuesday and cooking on a Thursday.

Have a lovely weekend.

Carly and the Pluto Team

Hi Everyone

I hope you all had a great Christmas and New years.

We have had all our new students start with us at The View this week; Sam, Layla, Alfie, Lewis & Chloe. They have all done really well settling in!

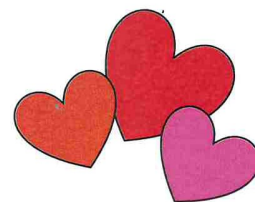

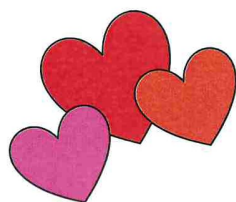

The students have really enjoyed their meals this week, especially the Meatballs and Cottage Pie.

We would also like to welcome our newest staff member Natalia to the team, welcome Natalia!

Hope everyone enjoys their weekend—George, Residential Lead

Our Valentines Market will be held at the school for students & staff. The items start from £1.00 so make sure to buy something for someone you love.

Southview Valentines

Market

Tuesday 11th February

10am – 12pm

*Show someone how much
you love them...*
