PEGASUS NEWS

The theme this term is friendship. The children worked very hard on finding ways to be a good friend. We looked at different scenarios from our lives and learnt how to identify friendly and unfriendly behaviours and attitudes. We are trying to be good friends in our class by using manners, saying compliments to each other and by making small gifts for our friends, such as hugging hands and handmade bracelets.

In English, we have been reading the 'Room on the Broom' story. Although the book is designed for a younger audience, it conveys an important message about sharing, being kind and caring for others. We have been identifying key words in the story, saying them out loud and/or signing them. In addition to this, we are becoming quite proficient in matching rhyming words from the story, which we use in our Bingo game.

This term we have also been learning a lot about ways to become independent and have been working very hard on our personal targets. Our group is increasingly becoming more social; we spend a lot of time interacting with one another. Nikki and her communication team help us to be more confident in the community by recognising important signs in shops and other public places. We are also spending a lot of time at the View with Kayleigh, who is helping all children to look after the place. Almost all of the children have already had a go at hoovering, dusting, washing and more!

We love spending time in the immersive room; we take the plane and fly to see the volcanoes in Italy. We even made our own volcanoes and later in term, we will attempt to create an eruption – just like the one in Pompeii all those years ago! All in all, we are very busy in our class; we swim, go out into the community, cook, play table cricket and work on our independence.

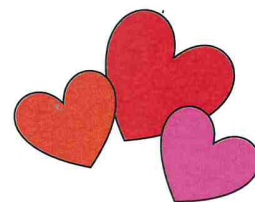

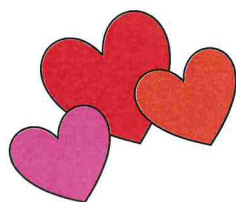

The whole Pegasus team would like to wish you a fab weekend!

Tuck Shop

Don't forget that the Tuck Shop at the school has started! The trolley will have items such as crisps, snack bars and yoghurts for sale. The prices will range from 40p to 60p. This will be an opportunity for your child to practise money handling and communication skills.

If your son/daughter would like to purchase something from the trolley please send them in on the day with money in either a named envelope or purse. Thank you for your support.

Our Valentines Market will be held at the school for students & staff. The items start from £1.00 so make sure to buy something for someone you love.

Southview Valentines

Market

Tuesday 11th February

10am – 12pm

*Show someone how much
you love them...*
