New Buses!

A few photos to show you the school's new electric buses.

They will be used alongside the other minibuses for the learners' trips out.

Yesterday morning Galaxy class went out for snack in the community and to buy some plants for our planter at school. After much deliberation the class picked a Petunia mix. We are looking forward to sharing how our flowers have grown in a future newsletter. Have a great weekend everyone!

After School Club

For those of you who are not aware we, at Southview School, offer an 'After School Club' on a Wednesday evening straight from school 3.15-6.00pm. The students who attend love the relaxed atmosphere and a chance to socialise with their friends in the same way they would if they went on a play date.

The students are offered a range of activities from crafts to food tech, IT, Art and games/quizzes. The students who attend come from across the school and College classes which helps them when mixing with different students and staff.

The students are encouraged to help cook their light snack meal and also wash up after which surprisingly they seem to enjoy!!

If you would like any more information about club please ask the school office.
