# STARS CLASS NEWS

Stars Class have enjoyed our topic of Minibeasts this term. In the first half term we did the story of "What the Ladybird Heard" and enjoyed hearing the animal sounds and then doing them all in the wrong order with the story! We showed some great listening skills and followed along with the story.

This half term we welcomed five new members of Stars Class, as a pot of caterpillars arrived! We have watched them grow over the week and are waiting for them to build their cocoons before hatching into butterflies. This ties in with our story "The Very Hungry Caterpillar". We have also enjoyed some time outside playing on the tuff tray and watering our potatoes and runner beans which are nearly ready to harvest!

We also want to say a massive thank you to Bonnie who kindly gave us a "tickle tent" which we enjoyed playing in last week.

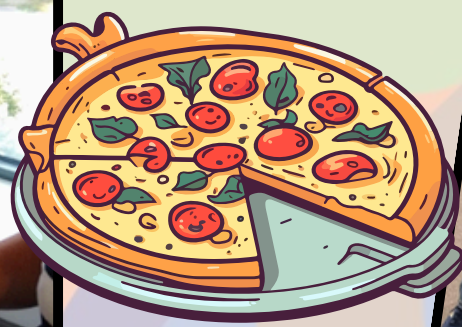

We have all had a fun week at The View.  
We have made our own pizzas, enjoyed the  
sunshine and have used the newly reopened  
part of the College garden area.

Hope everyone has a great weekend and  
Happy Father's day.

Best wishes,  
George
