GALAXY COLLEGE NEWS

Our topic this term is Family and Me. We have been delivering some new Sensory and Massage stories this term about family and home. We have made some personalised Stickmen for a drama piece we are working on and the students have made some beautiful sensory family boxes at home to share in class.

Some of the students from Galaxy College had a fantastic trip out to Marks Hall Estate. We had glorious weather for our visit and were lucky to deliver a Sound bath under a weeping willow tree and in their walled peace garden. The students and staff enjoyed this musical meditation. We will be going out in smaller groups this term, enabling all the student's opportunities in the Community

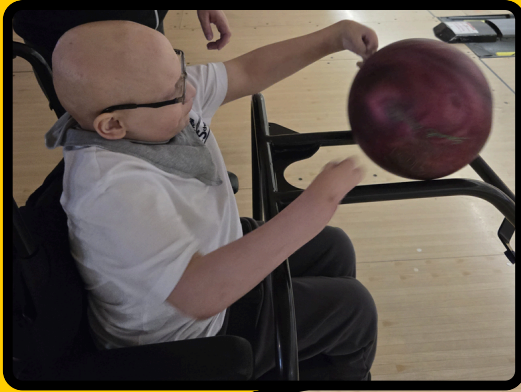

FREEPORT TRIP

A few students from across the school went to Freeport this week. They went bowling, did some shopping, had some lunch, and overall had a fun day out in the community!
