VENUS CLASS NEWS

Hello everyone! What a fantastic start Venus Class has had this year! It has been such a joy to see everyone settle so well into our new class and embrace all the exciting things that upper school has to offer. Making new friends has been really important for us and showing kindness to each other every day. We have had some wonderful discussions about feelings, friendships, and how to look after ourselves and each other. It's been lovely to see Venus Class sharing their thoughts and listening carefully when others are speaking and including everyone in every activity.

There have been lots of giggles during English lessons and especially at story times (our friend Daisy from Daisy and the trouble with.. carries on being our all-time favourite as she is always naughty) and so much enthusiasm when sharing ideas with friends. Venus Class has shown brilliant listening skills and is always ready to join in with group debate or have a go at predicting what could happen next. Now that everyone is familiar with the routines and feels comfortable in our classroom, we are all so excited to push ourselves higher in our English lessons. Next, we will be working on building confidence and exploring new stories together.

On a Thursday, the learners take part in a lesson that focuses towards – careers and future planning. All learners showed enjoyment and curiosity towards all the activities. As a class they all showed willingness to try new things and work together as a team. There have been so many proud moments, especially when someone tries something they have not tried before or helps a friend achieve a task. In the midst of all our busyness we have also managed a few trips out in the community and the learners really enjoyed going to the shops.

The end of term found us getting ready for Halloween and we have had a spooktacular time doing it. There were lots of smiles and laughter as we made Halloween crafts, shared stories, and even tried some tasty themed treats. Venus Class showed brilliant teamwork during our games and helped make sure everyone felt included in the fun.

Have a lovely half term!

Venus Class Healthy Snack Enterprise

Dear Parents and Carers,

Venus Class have been working hard on developing their work-related skills this term and are excited to share their new project with you!

From the first Friday back after half term (7th November), the class will be offering a selection of healthy snack choices each Friday.

The options will include:

- Breadsticks
- Watermelon
- Fromage frais mini yoghurts

Each snack will cost 40p, and all proceeds will go towards supporting Venus Class in their enterprise project.

We would really appreciate your support in helping the pupils gain valuable real-life skills through this activity.

Thank you for your continued encouragement and support!

We are currently recruiting for a Kitchen Assistant.

If you, or anyone you know might be interested, please take a look at our website under 'vacancies'.

The last week of this half term at The View has been full of lots of spooky fun ! At the beginning of the week all students at The View, carved/ painted their own pumpkins.

On Tuesday students and staff visited Braintree bowling alley and arcade, we were all very competitive and had brilliant fun! Others stayed and enjoyed time in the immersive room. On Wednesday, students attended after school club and when returning to The View they participated in making some delicious bakes ready for Thursday's Halloween party!

Staff at The View want to say a massive well done to this half terms students, for their continuous hard work towards their targets and always supporting one another in doing so. What a wonderful half term it has been, let's keep up the good work and enjoy your half term!

HALLOWEEN

Day!

Students in the Upper School had a wonderful spooky day, full of pumpkins, dressing up and arts and crafts!

Pictures to follow after half term.....
