PEGASUS CLASS NEWS

This term has been full of exciting community visits and hands-on experiences at the Business Centre! Our team has been busy helping to prepare the centre for events, making sure everything needed for meetings is in place – from cups and chairs to tables and more. We've also taken responsibility for clearing the room after each meeting and returning all equipment to its proper place, ensuring everything is ready for the next event.

In class, we have set up our very own café! We created a menu and can buy our favourite drinks and snacks, paying with the money we've saved in our class "bank." We earned this money by completing chores such as wiping tables, loading the dishwasher, and tidying classroom resources. This activity helps us learn an important lesson: we can earn money by working, and nothing comes for free!

We also welcomed members of the community into our class and enjoyed working alongside them. We communicated with them, invite them to our café, use polite language, and make sure their needs are met. Recently, Bob and Mary visited us – they helped us design our own badges and showed us how to use the equipment to press the plastic badges and see our designs completed and pinned to our t-shirts. We chatted with them throughout the session and then served them some hot drinks, putting our café skills into practice!

Hi Everyone,

We have had a great half term so far at The View, all our new students have settled in really well and have enjoyed their time. They got to go out to the cinema recently. The group also enjoyed doing some face painting!

Hope everyone has a great weekend, George

NOMINATE

WELLCHILD.ORG.UK/AWARDS

The **WellChild Awards** honour the incredible bravery of children and young people across the UK who have faced serious illness or disability. They also celebrate the amazing siblings, carers and professionals who go above and beyond to make a difference to their lives.
