PHOENIX CLASS NEWS

This term in Phoenix class we have been working on our prom project, this has included budgeting tasks and ideas of raising money. There have been some wonderful ideas and we have made lots of money to put towards the cost of our Prom in July.

We would like to take this opportunity to share with you some news with you all. Christopher was given a challenge, he was given £20 and asked to make as much money as possible from this money. He knew he wanted to take the skills he had learnt from his work experience as a barista, so he set up his own coffee shop for the week for the staff in school and college and the transport staff at the end of the day. He discussed a price with Sam from Venus to make the cakes for the week (thank you Sam!!) and he raised a whopping

£200!

Well done for all your hard work and planning skills to make such an incredible amount of money for College.
